Financial Agreement

Crossroads Animal Hospital does not bill. As such, we require payment in full at the time services are rendered. We accept Visa, Mastercard, Discover, cash, check, or Care Credit. If an emergency should occur, we require 50% of the upper end of the estimate (which will be created for you by the staff) at the time of admission. We require the rest of the payment at the time of discharge.

Crossroads Animal Hospital is committed to the highest standard of veterinary care. Our veterinarians will always recommend what they feel is medically necessary for your pet in order to maintain optimal health.

Boarding Facility Release

In our boarding facility, pets are monitored several times a day for food and water intake, behavior, and any medical issues. In the event of an emergency, if we cannot contact you, we reserve the right to treat your pet. For minor instances of GI distress (such as vomiting and diarrhea due to stress, change in diet, etc.), we reserve the right to treat your pet. If this occurs, we will email you a description of the ailment and the treatment applied. Treatment is at the doctor's discretion.

In order to board in our facility, dogs must be current on DA2PPL, Bordetella, and Rabies vaccines. Cats must be current on FVRCP and Rabies vaccines.

If you are boarding with us and you would like to pick up on Sunday, we will need to have a credit card on file in order to provide this service. Sunday pick up is promptly at 8:30 am and 5:30 pm, and you may pick up your pet in the front lobby. There is a \$20 surcharge for Sunday pick up.

Doggie Daycare

Doggie daycare is a service we offer to our patients who are up to date on all necessary vaccines (DA2PPL, Bordetella, Rabies) and who are sociable. One of our kennel attendants will first introduce your dog on a leash in a controlled environment to the other participants of doggie daycare. If they are successful with the introduction, then they may participate in doggie daycare. Doggie daycare is \$20 for a full day, \$15 for a half day, or \$5 by the hour. If the dog is boarding with us, the price is \$10 for a whole day of doggie daycare. As with boarding (and with the knowledge that dogs can be unpredictable animals), we reserve the right to treat your pet should they become injured in any way while participating in doggie daycare.
